Seems fine here. Which problem are you seeing?

##### #2 - 2012-03-20 16:42 - Christian Munier

- Status changed from In Progress to Closed
- Assignee deleted (Christian Munier)
- Priority changed from Normal to Low
- Start date deleted (2012-03-09)

The issue resulted from a wrong classpath configuration (as rst.communicationpatterns.TaskStateType in RST moved from sandbox to stable).
